sublimation inks
on the market.

About Visi-Sub

Octi-Tech presents a range of new generation, multipurpose open and closed system sublimation inks designed to work in today's high speed desktop printers. Our innovative Visi-Sub inks provide excellent printability combined with a wide colour gamut to deliver rich, vibrant colours, whatever the substrate.

Visi-Sub delivers consistent calibrated results, vivid long lasting colours and true cost effectiveness, all in a system that is easy to use.

The innovative, yet versatile sublimation inks are available in a full range of refillable bulk (open) systems and (closed system) cartridges designed for today's high speed desktop Ricoh and Epson sublimation ready printers
